

**FACT FINDING MISSION TO SEVILLA/HUELVA (SPAIN)  
16-17-18 February 2010**

**FINAL OUTLINE PROGRAMME**

The objectives of the visit are to investigate the allegations contained in the petitions received, and previously discussed in Committee, which refer to the high levels of industrial pollution to be found in and around Huelva. (Petitions 631-07, 1458-07 and 1682-08)

Members of the delegation will meet with the petitioners and with local communities which are the most directly affected by this situation and with the responsible local, regional and national authorities. Naturally, meetings should also take place with representatives of the main industries involved and with representatives of the Trades Unions. Meetings will therefore take place in Huelva and Seville.
